Park was very closely followed by the designer of the present replacement. Only the surroundings are different. The shaded, spotlessly clean park of the earlier time indicates the pride and care that townspeople took in its use.

The smaller photo at the top shows a pageant in progress and from the appearance of the spectators' clothing should be in the 1920-30 period.

Marathon Town Meeting

In major actions of the final sessions of a marathon Annual Town Meeting, Mattapoisett voted to establish a sanitary landfill dump at a cost of \$155,790.00 for land, equipment, facilities, road and bulldozer. Chairman of Selectmen David N. Haley explained that the State had forced the action and that no alternative was in sight. He put the regional incinerator 5 to 10 years in the future.

A water system to Brandt Beach was proposed and defeated. The project entailed a cost of \$337,200.00. In the course of debate, Mr. Edwin Winslow brought out that most of the area is private road. Town water mains can be laid only on accepted public ways and therefore residents who desired water would have to lay their own

pipe from the main's terminus at approximately \$5.00 per foot.

The Phase I of the town sewer system at an estimated cost of \$5.4 million dollars was rejected on Tuesday after a comprehensive presentation by Water Pollution Abatement chairman Francis Lynch. Lengthy debate followed and townspeople, while expressing a willingness to solve the problem of pollution, expressed their desire for a less expensive solution. The vote was taken on a motion to table and was overwhelming in favor.

At the beginning of the following session, Charles B. Dunn introduced a resolution as follows: "Resolved: That the Water Pollution Abatement Committee has provided a suitable sewer system plan in accordance with their instructions to find a 'townwide, long term' solution.

"However, it is the sense of this town meeting that any sewer proposal should be directed only to eliminating the present dis-

was concluded at midnight. In concluding actions voters held the town to a pledge made to the residents of North Street a year ago. Promised a buffer zone of 1500 feet between the residential and the industrial business section, the North Street homeowner faced a proposal in this warrant to spot zone a business area directly on North Street at the interchange of 195. This proposal, two similar districts in the Neck Road area and two parallel to North Street were rejected overwhelmingly. Other zoning amendments were adopted. Setbacks for business were decreased from 150 to 65 feet, parking to be prohibited within 5 feet of the road. House lot sizes in R30 zones were increased from 15,000 to 30,000 square feet with 40,000 square feet required for house and one guest house. Mr. Howard C. Tinkham authored a resolution to have the zoning committee consider increasing lot sizes in R20 and marine residence area to 30,000 square feet to alleviate the pollution problem caused by smaller lots. Dennis Sylvia of the Board of Health and Richard Chase of the Town Planning Board both endorsed this resolution.

In most cases, the recommendations of the Finance Committee were followed and tax rate

increase of \$4.00 per thousand is foreseen, depending on the town's returns from the "cherry sheet". All committees were given a vote of thanks and appreciation by the town meeting.

ASSESSMENT EXPLANATION

The question of assessment of the land purchased by the town for sanitary land-fill purposes was not explained at the Town Meeting. Mr. Harry Locke stated that he was not familiar with and could not explain the assessment in the neighborhood of \$24.00 per acre. Mr. John Gibbons, Mattapoisett assessor, offers the following explanation:

"This land was assessed in 1965 at \$20-\$50. per acre as it was backland without utilities, no access, wet, swampy and rocky and had been stripped of timber. This land did qualify for a State assess-

EXPLANATION OF BLACKSTONE FINE

Since the Standard-Times in an article on Friday, April 7th, expressly linked Mattapoissett with the town of Blackstone as being a prime candidate for a \$500. per day fine, an explanation of the Blackstone problem is of major interest to us. Contrary to the implication of the article the circumstances of the two towns are completely different. Here are the events leading to the Blackstone trouble as explained by John Gibbons who investigated the incident and offers the following summary. He reveals that Blackstone is being penalized, not for alleged pollution, but for contempt of court.

"In disagreement with the town planner concerning the fine of \$500. per day for not having sewage in the town of Blackstone the explanation of the fine was given as follows: The town of Blackstone was fined for contempt of court as the town had entered into an agreement to construct a treatment plant without funds in 1967. In 1968 the townspeople were told of its cost on the tax rate and the betterment costs would be \$2,000 - \$5,000 per house, and it was unanimously rejected although the agreement for the treatment plant was still in effect. Also, in 1968 the Selectmen's agent signed an agree-

ment to construct a treatment plant by August again without funds and also waived all rights to a public hearing in which the State would have to prove its charge of pollution. Another town meeting was called and again it was unanimously rejected to appropriate funds. In 1971 a contempt order was issued for failing to live up to its agreement to proceed with construction of the treatment plant along with a fine of \$500. per day. The town is now going into bankruptcy and supposedly will be taken over by a State Commission in August of this year. The reaction to the residents is that they are about to enter into a dictator-type of government."

Groundbreaking Sunday

FOR NEW ST. ANTHONY'S CHURCH

St. Anthony's Church received permission from the Diocese of Fall River Chancery Office this week to begin construction of its new Church building. The Loranger Construction Company of New Bedford will begin work on the project on May 1, under the supervision of Edward Denning Associates, Architects. Groundbreaking ceremonies will be held on Sunday, April 23rd, at 2:00 P.M. at the site on Barstow Street. St. Anthony's new Church will be the first constructed since Bishop Daniel A. Cronin was appointed to the Fall River Diocese.

Inspector Needed

MOSQUITO CONTROL INSPECTOR

With the town having voted in the article on mosquito control, there is a need for a mosquito control inspector. This inspector would have to be licensed by the state. This involves taking a simple test on the handling and applying of insecticides.

This person will work with the county for a couple of weeks to learn to recognize pre-hatch areas, map out these areas, and learn to apply Flit MLO. Then the inspector would work on his own applying Flit MLO to the catch basins, and periodically and routinely checking the salt marshes and swamp areas.

Because this position involves only a 3-4

The bridge party that was previously postponed will be a May Dessert Bridge to be held May 3rd at 1 P.M. for the benefit of the Scholarship Fund. Reservations must be made by April 27th. Contact Mrs. Charles Boyd, 3319; or Mrs. Harlan Broadwater, 3763.

Clinic for Horses

ENCEPHALITIS CLINICS (SLEEPING SICKNESS)

Plans are in the process for setting up encephalitis clinics in the different areas of the three towns of Wareham, Marion and Rochester to make it more convenient for horse owners. Clinics will be set up in any area with ten horses or more. Shots will be given in all towns on May 13 and May 20 by Dr. David Johnson. Tetanus shots will also be available. For information call in the Marion area, Mrs. U. Grant Keener, 748-0417; Wareham and Rochester, Mrs. John Peterson, 295-2179. Will you please call early so that it is known where to set up. As you know, encephalitis is carried by the mosquito and may be transmitted to humans

as well as horses. So come on all you horse owners, get your horses immunized so our towns will be free of epidemics. Times and places will be announced later. Don't forget--Call early and register. These clinics are a Community Service furnished by your local 4-H Horse Clubs.

Today is the day to take control.

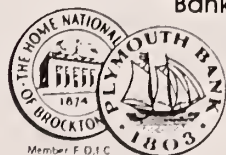

Introducing our CASH CONTROL ACCOUNT

Plymouth-Home National Bank has developed a new banking service that turns an ordinary checking account into a Cash Control Account. It's a very simple cash transfer system that enables you to move your money from checking to savings, or from savings to checking, to plan a scheduled build-up of your savings, pay your monthly payments on installment

loans, and make payments on your club accounts.

Cash Control lets you put your money where you want it—automatically and at no expense. All you have to do is come into any of our 15 Plymouth-Home offices or call 583-6700 and say, "Today is the day I want to take control of my cash!" We'll know what to do...and you can count on that.

Bank where it counts.

Brenda Andrews, 758-2709.

Adult Classes Exhibit

A cordial invitation is extended to all
area residents to attend the annual Exhibit
sponsored by the Evening Practical Arts and
Adult Education classes at Old Rochester
Regional High School. The exhibit will be
held on Monday, April 24th, from 7 to 9
P.M. in the school cafeteria.

Students and their instructors will be on
hand to display their work and answer ques-
tions relative to each course. Please come
and enjoy the exhibit and join us in some
coffee and refreshments.

Raymond J. Carvalho, Director

MAY BUFFET AT GUILD

The May meeting of the Women's Communi-

ty Guild of the Mattapoissett Congregational
Church will begin with a sandwich buffet at
12:30 on Tuesday, May 2nd. Will you please
make reservations by April 29th with Mrs.
Robert Bennett or Mrs. Frank Flower.

Senior Citizens

The Senior Citizens of Mattapoissett held
their monthly business meeting Monday,
April 10th, at 2 P.M. at the Legion Hall.
The resignation of Ruth Schofield, vice-
president, was read, and James Barrett
has been elected to fill this vacancy.

It was found that only 6 Senior Citizens
filled in forms to show their interest in
taking advantage of the Hot Lunch program.
Mrs. Sophie Sterling contacted Dr. Joseph
Kunces and he will inform her of future
progress in the implementation of this pro-
gram.

There is a change of plans for the next
meeting. Because of the work involved,
FISH will not be able to prepare the hot
lunch planned for the April 24th meeting.
This has been postponed until May. There-

fore, the next meeting will be Monday, April 24th, at 2 P.M. at the Legion Hall. Those planning to attend should bring some small item for prizes for the fun and games program for the afternoon.

There has been some progress on the plans for Mattapoisett's Housing for the Elderly. The authorities are now waiting for State approval for the proposed site. Any Senior Citizen interested in an application for this housing should contact Mrs. Helen Tinkham, Mattapoisett Neck, for an application blank.

WEEKLY BEANO GAMES

Weekly Beano Games will be held at the St. Rose of Lima Church Hall on Vaughan Hill Road, Rochester, on Friday evenings at 8 o'clock. Refreshments will be served. Mrs. Thomas Gayoski is chairman.

SCIENCE FAIR WINNERS - Old Hammondtown School's Science Fair was enjoyed by many visitors. Three first prize winners are shown in the lobby looking over the grand prize winning project by Laurie MacDonald (right), Robert Tinkham and Jan Duff.

AUXILIARY MEETING

The monthly meeting of the Mattapoisett Firefighters' Auxiliary will be held in the Fire Station Hall this Wednesday, April 19th, at 7:30 P.M. This will be a game meeting and each member is asked to bring a wrapped gift to be used for prizes.

GRANGE TO MEET

Mattapoisett Grange will hold its bi-monthly meeting this Thursday night, April 20th. The lecturer's program is in charge of past lecturer Olive Gifford. This being National Book Week she will present Earle Wilson who will give a book review. Also she will conduct a paper bag book auction. Members are reminded to bring in books sealed in a paper bag. Proceeds will go toward the dues of the Grange boys in the service. The social hour is in charge of Mark Harris.

BASKETBALL AWARDS PARTY

The Mattapoisett and Sports Athletic Committee will sponsor the annual awards pizza party for the Little League Basketball players Wednesday evening, April 26th, at 6:30.

All boys and girls who played in the league this past season and interested in attending should contact their coaches before Sunday, April 23rd, for reservations. Parents may also attend. This event will be held at the Frontier Room of The Nest.

Please contact your coaches as soon as possible to insure your reservations.

Letters to The Editor

LETTER TO THE EDITOR

The presidential primaries on the 25th of this month appear at first blush to be an exercise in futility. The media tell us that the Democrat nominees will kill each other off before the convention so that the actual nominee will, in all probability, be a dark-horse and there seems to be little doubt that President Nixon will be the Republican standard-bearer.. And, at the moment, there

appears to be no reason to doubt that such will be the outcome. However, that does not mean that we should not vote on Tuesday, the 25th. Quite the contrary.

Might I suggest some possible reasons for voting. That "Eternal vigilance is the price of liberty" is a true but trite saying. If you and I do not exercise our right to vote at every opportunity, those who are interested in taking away our liberties will

most certainly vote. And do not fool yourself into believing that no one is seeking to destroy our liberties. Remember that it is much easier to preserve our rights and liberties than to regain them once they are lost.

The mere mechanical act of going to the polls and casting a ballot is in itself of value. For the way to create a habit, good or bad, is by the conscious repetition of an act. Certainly all will agree that voting is a good habit. And none of us has so many good habits that we cannot use a few more.

Even though your particular candidate may have no chance of being nominated, or, on the other hand, may be sure of the nomination, your vote can have an influence. You can be sure that the politicians will study the returns from the various primaries for a trend which will influence their choice of a nominee. Nor will the man elected in November be unmindful what the primaries showed.

The only way in which the people can keep control of their government is by voting their convictions at every opportunity. Let the voters of Mattapoissett give notice to the world that they know the value of the ballot by voting in record numbers on Tuesday,

Thomas Earle, Jr.

LETTER TO THE EDITOR

As chairman of the Mattapoisett Sports and Athletic Committee, I would like to thank the citizens of the town once again for their generosity and support to the programs your committee is promoting for our youth.

Many hundreds of hours of volunteer effort by dedicated individuals are expended each year organizing and supervising the various facets of this program, but without the financial support you rendered to us, it would be extremely difficult to carry out our plans of helping to make youngsters into better citizens through sports.

There was an article (#54) placed in this year's warrant that read as follows: "To see if the Town will vote to raise and appropriate a sum of money (\$2,500.00) for

REAL ESTATE • REAL ESTATE

BUSINESS IN MARION FOR SALE

Have you ever thought you could own and run a business successfully? If so, a good start in your new future could be the present location of the Jay-N-Jay Gift Shop in Marion. Here are just 3 good reasons why:

1. Excellent business location for present use or those uses permitted by General Business Zoning.
2. Taxes, including personal property tax, are only \$216. for the year.
3. In area of high volume of traffic.

Look into it today and take advantage of the spring and summer months.

\$25,000.

Randy Smith

758-3875 or 992-0222

the position of recreational coordinator. Said coordinator to be responsible to the Mattapoisett Athletic Committee" - By Petition.

This article was placed in the warrant by a well intentioned group of individuals who evidently thought it would be helpful to the recreational program.

Although the Sports and Athletic Committee knew of this article, we had no part in sponsoring it, or endorsing it, even though we were mentioned as being responsible for this coordinator if the town had approved.

In other words, this committee was not looking for any additional funds to operate with, beyond our original budget request.

We were very much surprised that the petitioners did not attempt to explain their article on the town meeting floor.

As chairman of the Sports and Athletic Committee, I feel it is necessary to make everyone cognizant of the fact that we were not the petitioners or endorsers of this article.

Again, may I say thank you to the taxpayers for their support.

R. Floyd Empey, chairman
Mattapoisett Sports and
Athletic Committee.

RUMMAGE SALE

The WSCS of the Marion United Methodist Church will have a Rummage Sale at the parish hall on Friday, April 21st, from 12 to 4 P.M. and on Saturday morning from 9 to 12. Mrs. Alfred Koehler is chairman and can be called if there are items to be picked up.

LITTLE LEAGUE TRYOUTS CONTINUE

The second and final tryout period will be held this Saturday, April 22nd, at 10 A.M. at the Jay Lamborghini Little League Field, Old Hammondtown School.

All boys with last names starting with letters M to Z are to report, as well as any boys who did not try out last week in the A to L group. This is the final opportunity to qualify for this year's play.

It is also important that all coaches and managers be present for this session.

Last week saw 30 boys trying for positions with the competition very keen.

employees.

The new food service area, three times the size of previous quarters, is a triumph of technology and systems engineering. Gleaming, movable carts bring cooked foods in bulk containers from ovens to long "Lowerator" conveyor tables which in turn load food trays for patients. The carts can transport at one time from 4 to 48 different cooked foods, all electronically heat controlled at 4 different temperature ranges. Chilled foods can be stored with absolute temperature control on tiered "wagons on wheels" and be loaded on patient trays at the same time hot foods are being dispensed from the bulk food carts.

New acquisitions include an automated soup kettle, an enormous steam table, huge baking ovens, and a 30-gallon mixer. Also brand new for Tobey is an impressive scale, big enough to weigh large shipments, allowing better inventory control and instant in-

MOSQUITO CONTROL INSPECTOR

With the town having voted in the article on mosquito control, there is a need for a mosquito control inspector. This inspector would have to be licensed by the state. This involves taking a simple test on the handling and applying of insecticides.

This person will work with the county for a couple of weeks to learn to recognize pre-hatch areas, map out these areas, and learn to apply Flit MLO. Then the inspector would work on his own, applying Flit MLO to the catch basins, and periodically and routinely checking the salt marshes and swamp areas.

Because this position involves only a 3-4 day week, May thru August, the salary would not exceed the amount a retired person is entitled to earn without losing pension rights under social security.

If anyone is interested in applying for the position or has any questions concerning it, please contact Pat Baggarly at 2297.

TOWN OF MATTAPOISETT, MASSACHUSETTS

PUBLIC NOTICE

Sealed bids will be accepted by the Mosquito Control Committee for the immediate application of "Flit M L O" in the Swamp Areas of Mattapoisett.

Bids will be accepted at the Office of the Board of Selectmen on or before Tuesday evening, May 2nd at 7:30 P.M. at which time they will be publicly opened and read.

The Board of Selectmen reserves the right to reject any and all bids, also the right is reserved to waive any irregularities that may appear in any bid, and to accept that bid, which, in the Selectmen's opinion is most beneficial to the Town of Mattapoisett.

special sale prices.

In a room by itself is the automatic, end-less conveyor dish washer, which washes, rinses and dries under electronic speed control.

Outside the new kitchen is a new grill in the employee dining room service area, giving Tobey for the first time a fast food utility for busy hospital workers who don't have the time for full course meals.

So, at Tobey Hospital, science and technology now make even more tasty and nourishing the fine foods and twelve specially planned diets available to patients and employees. Food service, in an immaculate, modern, hygienic kitchen, is indeed big business at Tobey. No better way

could have been devised for initial use of the new \$3-million addition to this excellent, widely-acclaimed health-care center at the headwaters of Buzzards Bay.

And for those patients at Tobey who happen to be hospitalized on their birthdays, they will continue to receive - diet permitting - specially baked birthday cakes. But from now on they may taste sweeter and fresher!

Fairhaven Musical

"OLIVER" TO BE PRESENTED IN FAIRHAVEN

Peter West of North Road, Mattapoisett, is director of the production of the musical show, "Oliver", which students of the Elizabeth I. Hastings Junior High School of Fairhaven will present at 8 o'clock the evenings of Friday and Saturday, May 5 and 6. West is vocal music teacher of Grades 8 and 9 at the Junior High School.

This will be the first time in the history of the school that such an ambitious project has been taken on by the music department. Students will compose both cast and chorus. Supportive help is being provided by members of the faculty and a large committee of parents.

Tickets for either performance may be secured at the offices of both the senior high and junior high schools or at any of the town's elementary schools.

TOBEY GUILD MEETING

The Tobey Hospital Guild will meet at 2 P.M. Thursday, April 27th, at the Nurses' Home. Mr. Hulot W. Haden, administrator of Tobey Hospital, will talk on "What Is
